SP 3600DN

30 B/W  
ppm

## Compact and economical A4 printing

With an attractive initial purchase price and low Total Cost of Ownership, Ricoh's SP 3600DN A4 printer is the perfect device for low volume, cost-effective printing. It's also extremely compact, has a warm-up time of only 14 seconds, and prints up to 30 pages per minute (double-sided printing at 15 ppm). Easy to use and maintain, the SP 3600DN handles plain, thick or thin paper between 52 and 162 g/m<sup>2</sup> and coated or card stock. In addition, its standard paper tray takes 250 sheets, while its optional extra tray takes a further 500 sheets.

- Your budget intact: competitive purchase price
- Cost-efficient: low running costs
- Eco-friendly: low power consumption
- Space-saving: highly compact
- Easy to use with 4-line LCD display

# Easy printing at an attractive price

## User-friendly

Everything about the SP 3600DN is designed to make it a pleasure to work with. The operation panel with its 4-line LCD display is easy to use, with clear and legible instructions. Another practical feature is the easy grip handle of the paper tray.

## Economical to run

With a perfect combination of an affordable initial purchase price and a low Total Cost of Ownership, the SP 3600DN is ideal for budget-conscious offices. The Typical Electricity Consumption value of 1.4 kWh is among the lowest in its sector.

## Ultra compact

An LED print head takes up much less space than the equivalent laser head. As such the SP 3600DN has a small footprint: you can install this device virtually anywhere as it takes up minimal office space.

## Ricoh's total office solutions

Whatever equipment you need for your digital office – a printer, copier, fax, multifunctional device or software – you can find the appropriate solution from Ricoh's extensive line-up. Our solutions are tailored to company-specific needs, issues and challenges. Whether you are looking for cost reduction, productivity improvement, enhancing information security or environmental impact reduction we can help you to find the answer. After implementation, we offer comprehensive after-sales support.
